

Internships

Subheader

OVERVIEW

Internships count for 3 credits towards your total credit hours

To receive academic credit for an internship you must work with a faculty advisor during the internship to receive credit

Students who complete an internship during college have an edge over students who did not when looking for jobs

TIPS FOR FINDING INTERNSHIPS

- Be proactive
- Start looking months in advance
- Create a list of companies you would want to intern at.

HOW TO FIND INTERNSHIPS

Use Handshake
Contact Teresa Walker
Use your network
LinkedIn

Joining clubs is a great way to find internships. Some notable on campus clubs include Pi Sigma Epsilon, NABE, and SFA

Contact the Career Center to help build your resume and cover letter

The Career Center can also provide career fairs that students can attend and will give students the opportunity for a mock interview too

More information on internships can be found at <https://uncw.edu/career/internships.html>
