Overview

The Student Finance Association at UNCW connects students who share an interest in the financial industry. From a stock market simulation challenge, to professional development seminars, to networking opportunities with other students and a variety of financial professionals, this club seeks to bridge the gap between the classroom and post-graduation ventures.

Goal of Organization

SFA objectives are to collect, preserve, and disseminate knowledge and information with reference to the field of Finance while providing professional training for all students interested in these endeavors.
