—————→ *Indicates one course prerequisite to the next.*

A grade of “C” or better is required for ACG 201, 203, 301, 306, and MIS 213; a grade of “C-” or better is required in all other accounting courses.

It is recommended that ACG 301 and 306 be taken together. If scheduling conflicts prevent a student from taking these classes together, then ACG 301 must be taken first.
