- In the case of restricted classes approval must be secured by the appropriate Department Chair. Students may choose any of the optional courses to meet the 6 hours; however students are encouraged to choose courses that constitute a focus, e.g. entrepreneurship in the Arts, in Science, in Technology as examples. Students should confer with academic advisors when determining a cluster of the three courses. Students must earn a C- or above in all classes in the minor.

Total: 18 hours

Advising for the Minor:
