Graduate Assistantship Application**

Graduate assistants work 10 hours/week and are paid \$5,000 (20 hours/week assistantships may also be available) over the period August through May. Assistantship assignments are awarded based on academic qualifications, GMAT scores, and special skills. By submitting an application for an assistantship, you agree to some availability during business hours (Monday- Friday, 8 am to 5 pm). All graduate assistants are required to attend graduate assistantship orientation in August (details will be provided).
