

STUDENT'S WAIVER OF PRE-REGISTRATION ADVISING

Pre-Registration Advising For: _____(year) Fall Spring Summer

Print Student Name:_____

SID#: _____

Advisor: _____

The Cameron School of Business strongly encourages all students to seek faculty advising before each registration period. Faculty advising helps students understand the requirements to be accepted to the Cameron School of Business as well as requirements for graduation from UNCW. However, we realize that some students feel they do not require faculty advice for course selection each semester.

EVEN IF YOU SIGN THIS DOCUMENT YOU MAY STILL REQUEST FACULTY ADVISING AT A LATER TIME. Your faculty advisor's name is on your degree audit. You may meet with your faculty advisor during his or her office hours or at some other time you and your faculty advisor arrange.

If you choose to waive advising, you must go to your faculty advisor or Department Chair to receive your alternate pin.

By signing this document I acknowledge that I choose not to meet with my faculty advisor at this time, and take full responsibility for my academic progress.

I understand receiving advising makes me aware of degree requirements, course sequences, and prerequisites, allowing me to graduate on a timely basis.

By waiving my advising rights, I understand that I am responsible for any mistakes that may delay my graduation.
