MASTER of SCIENCE
in ACCOUNTANCY

UNCW
University of North Carolina Wilmington
Cameron School of Business
Jacob Younis ’18

My favorite thing about UNCW’s MSA program is how they set you up for success once you complete the program. After graduation I’ll be moving back to Raleigh, NC, where I’ll be working in public accounting. This is exactly what I wanted to end up doing after this program.

Jade Jones ’21

I enjoy many aspects of the program. If I had to pick my favorite, it would be the size of the program. With the program being fewer than 100 students, the opportunity to form relationships with other students as well as the professors/faculty is more present than I expected. The smaller class sizes, compared to most undergrad classes, also allows us to truly interact with our professors and for them to get to know us.

Abby Getz ’18

My favorite part about the MSA program is the people and the professors.
**FUN FACTS AT a GLANCE**

- 32 credit hours
- 10-month program
